### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: The BPAI reversed the obviousness rejections. With regard to the Patel reference, mentioned by the BPAI in their decision, the statements by the BPAI itself demonstrate that this reference is less relevant as discussed on page 14 of the decision, where there is no evidence in Patel that the alleles actually end up closer, the precise reason why the BPAI chose to reverse the 103 rejection. Therefore, in view of the BPAI decision, the claims are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
